

DESCRIPTION

Neutralite is a versatile neutral detergent with excellent cleaning characteristics. It can be used on hard floors and on carpeting too. In fact, this powerful yet gentle detergent is safe to use on all washable surfaces.

It's low foaming nature makes *Neutralite* highly effective in automatic scrubbers. The neutral pH of *Neutralite* assures that it will not harm your floor finishes, carpets, walls or equipment.

SPECIAL INFORMATION

Neutralite is a Canadian Food Inspection Agency (CFIA) approved product for use in registered food processing plants. Surfaces in direct food contact must be rinsed with potable water.

DIRECTIONS
