

DESCRIPTION

Neutrapower is a truly multi-purpose product! This low foaming and neutral product is excellent for floors, walls, counter-tops, sinks, tubs and ceramic tiles. It's great in kitchen settings where grease may be tracked across the floor. *Neutrapower* is specially formulated using soil repelling, 'electrolytic surfactant' technology and is great for use with automatic scrubbers.

SPECIAL INFORMATION

Neutrapower is a Canadian Food Inspection Agency (CFIA) approved product for use in registered food processing plants. Surfaces in direct food contact must be rinsed with potable water.
